## Car Parking

Traffic regulations under the Road Safety Act 1986 are enforced throughout the year. The University's roads, carparks and grounds are subject to the provisions of the Road Safety Act and 'owners onus' applies to loss and/or damage of vehicles. Weekday visitors may only use those carparks designated as TICKET PARKING unless prior arrangements have been made with the Parking Office.

## Security

Drivers are advised to ensure their vehicle is securely locked and all valuables are stored out of sight. Staff working late at night are advised to contact Security Control regarding security escort to their vehicles. The Security Bus proceeds in stop number order and leaves stop 1 at half hourly intervals from 5.30 pm, the final run commences at 12.15 am. Buses may be flagged down at any location and will deliver passengers to individual cars on campus (including Wellington Road Car Park) upon request.
